Medical Camp

The DC Kizhakemuri Foundation organizes a wide range of art, education and cultural activities. Free medical camp at DCSMAT Vagamon is an annual charitable initiative conducted by the DC Kizhakemuri Foundation every year, in connection with the birthday remembrance of Dominic Chacko Kizhakemuri for the residents of Vagamon locality with the support of Elapara Grama Panchayath.The programme ensures medical assistance including eye care tests, blood donation and awareness of various diseases monitored by a team of expert doctors. The Free Mega Medical Camp at DC School of Management and Technology at Vagamon was conducted on 29th may 2022. It is the largest attended medical camp in the area.
